Minnesota may be known for snow and cold but it's also the land of 10,000 lakes. The summers are gorgeous and especially near a popular lake area in north central Minnesota known as Nisswa. We named this collection in the spirit of screen porches on hot summer nights and shady decks overlooking sky blue lakes. Wide arms and thick cushions are perfect for a gathering with friends and family or alone with a blanket and a book. Made with a 100% recycled plastic frame and super durable Sunbrella fabric on the cushions.
