INCLUDED PARTS

	COUNT		COUNT		COUNT		COUNT		COUNT
BOTTOM	1	SIDES	2	DIVIDER	1	END	2	BLOCK G	6
5 gal. 		5 gal. 							
8 gal. 		8 gal. 		8 gal. only 					

ASSEMBLY INSTRUCTIONS

* It is very important that you finger tighten all bolts into inserts to ensure that you do not cross-thread bolts and inserts before tightening. It will also be easier if you wait to tighten bolts until you have all bolts installed and the piece completely assembled. This will allow for more movement of individual pieces and help in aligning holes with inserts. Use the Allen Tool provided to finish tighten bolt until snug.

1	5 gal. ATTACH SIDES	2	5 gal. ATTACH BOTTOM	3	5 gal. COMPLETE ASSEMBLY
					
<p>*Please read Assembly Tips before beginning assembly. Align End plates with Side plates groove track cut outs. Place Blocks into End cut outs and insert bolts through blocks into Side and hand tighten.</p>		<p>Align Bottom with groove track in Ends and slide into groove track of Side. Place Block into bottom cut out and insert bolt through block into Side and hand tighten.</p>		<p>Align opposite Side groove track cut outs with Ends and Bottom edges. 1	8 gal. ATTACH SIDES	2	8 gal. ATTACH SIDES
			
<p>*Please read Assembly Tips before beginning assembly. Align Ends, Divider, and Bottom with groove track cut outs of the Side. Place Blocks into Ends and Divider cut outs. Insert bolts through blocks into Right Side and hand tighten.</p>		<p>Align remaining Side track cut out with assembly edges. Place Blocks into cut outs and insert bolts through blocks into Left Side and tighten. Using provided wrench securely tighten all bolts.</p>	

ASSEMBLY TIPS: 5 Important Points You **NEED** to Read

1. Prior to beginning assembly, please inspect and inventory the parts to make sure you have everything and that nothing was damaged during shipping. If damage has occurred, please take photos and go to lolldesigns.com/damage. Rest assured we'll get it taken care of straight away!
2. To avoid scratching furniture, assemble on a clean, soft surface like a blanket, carpet, or the flattened cardboard box the furniture was shipped in.
3. **Start all bolts by hand to ensure proper alignment and to prevent cross threading.** Then using the provided tool, tighten until you feel resistance. Do not overtighten.
4. Bolts should not be forced, but some components, particularly blocks, fit snug but can still be installed without tools or excess force.
5. If parts are still not going together, please send us a photo of the part you are having trouble with.

BLOCK & BOLT INSTALLATION

Insert bolts through countersunk hole side of blocks as shown below.

"Loll Designs inspires people to appreciate the outdoors."

 RECYCLE THE PACKAGING

We've gone through great lengths to make as much of our packaging as possible recyclable. The cardboard box, paper wrap, filler and paper bags can all go in your recycling bin. The muslin hardware bags replaced plastic bags with the intention of reducing plastic and encouraging reuse. Loll Designs and Planet Earth thank you!

WE WANT YOU TO LOVE YOUR LOLL
